

Happy 25th Anniversary - ESCV - June 23, 2012

Empire State Capital Volkssporters 25th Anniversary, almost 180 members at the end of a day of walking a 5 K and 10 K volksmarch in Bolton Landing on beautiful Lake George in the New York Adirondack Mountains region. Following the walk, our members boarded the MV Lac du Sacrement out of the picturesque village of Lake George, for a sunset dinner cruise. While on board, we enjoyed viewing a powerpoint of our last 25 years of walks, picnics, and holiday celebrations. Also, our historian provided a walk through the years with walk brochures, news clippings, A awards, pins, patches, etc. arranged in three ring binders in chronological order. A perfect anniversary day was enjoyed by all!
