### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

AMERICAN VOLKSSPORT ASSOCIATION, INC.  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2015

NOTE 1 -- ORDER AND PURPOSE

American Volkssport Association, Inc. (the Association) is a nonprofit, voluntary membership corporation, organized under the laws of the state of Texas, exclusively for charitable and educational purposes. The Association is committed to the promotion of public health, physical fitness, and the well-being of the people of the United States by organizing, promoting, and conducting scheduled programs of noncompetitive, family-oriented, participatory lifetime sports including, but not limited to, walking, bicycling, swimming, cross-country skiing, and such other events as may be sanctioned by the International Federation of Popular Sports (IVV). Revenue from member club-sanctioned events is included in these financial statements, while individual member club activities are not included.

NOTE 2 -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. *Basis of Presentation*

The accompanying financial statements of the American Volkssport Association, Inc. have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP) whereby revenues are recognized when earned and expenses are recognized when they are incurred.

Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. If donor-imposed restrictions are met in the same period as the gift or investment income is received, the amount is reported as unrestricted revenues. Accordingly, net assets of the Association and changes therein are classified and reported as follows:

*Unrestricted Net Assets* – Net assets that are not subject to donor-imposed stipulations. Assets restricted solely through actions of the Board of Directors are reported as unrestricted net assets.

*Temporarily Restricted Net Assets* – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Association and/or passage of time. Donor-restricted contributions are reported as increases in temporarily restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. Currently there are no temporarily restricted net assets.

*Permanently Restricted Net Assets* – Net assets subject to donor-imposed stipulations that may be maintained permanently by the Association. Generally, the donors of these assets permit the Association to use all or part of the income earned on the related investments for a general or specific purpose. Currently there are no permanently restricted assets.

B. *Fiscal Year*

The Association has a fiscal year beginning on July 1 and ending on June 30.

NOTE 2 -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

C. *Income Taxes*

The Association is exempt from state and federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Additionally, the Association has been further classified as an organization that is not a private foundation under Section 509(a)(2) which allows the donors of property, services or money to take the maximum charitable donation allowed by law.

The most significant tax positions of the Association is its assertion that it is exempt from income taxes and its determination of whether any amounts are subject to unrelated business income tax (UBIT). All significant tax positions have been considered by management. It has been determined that it is more likely than not that all tax positions would be sustained upon examination by taxing authorities. The Association's tax filings are open to Internal Revenue Service audit for the years ending June 30, 2014, 2013, and 2012.

D. *Cash and Cash Equivalents*

Cash and cash equivalents include interest-bearing checking, savings accounts, and money market funds. Certificates of deposit with an original maturity of three months or less are also included as cash equivalents on the statement of financial position and statement of cash flows.

E. *Investments*

Investments consist of certificates of deposit with maturities greater than three months and corporate bonds. These investments are reported at fair value on the statement of financial position. Fair values are based on quoted market prices (Level 1 Inputs). Realized and unrealized gains and losses and interest income are recognized in the statement of activities as investment income. Investment return, including realized and unrealized gains and losses, is included as changes in net assets consistent with the purpose of the investment.

F. *Accounts Receivable*

Accounts receivable consists of membership dues, sanction fees, participation fees, merchandise sales, and subscription fees that have not yet been received. Accounts receivables are stated at the amount management expects to collect from outstanding balances. Management uses the direct write-off method to provide for probable uncollectible amounts.

G. *Prepaid Expenses*

Expenses recorded in advance of the service or product being received are deferred and carried on the statement of financial position as prepaid expenses. As of June 30, 2014, the Association had prepaid expenses of \$7,883 and prepaid insurance of \$18,778. As of June 30, 2015, the Association had prepaid expenses of \$973 and prepaid insurance of \$19,319.

M. *Donated Services and In-Kind Support*

When the value of such services meets recognition criteria, it is reflected in the accompanying financial statements as revenues and expenditures in a like amount. N. *Revenue Recognition*

Membership dues are recognized as revenue in the applicable membership year. Sanction fees are recognized as revenue at the time the sanctioned events are held. Participation fees are accrued when the related event is held. Sales of merchandise and IVV books are recognized at the time of sale. Subscriptions to the Association's bimonthly TAW are recognized as revenue on a pro-rata basis over the related subscription periods. Revenue related to the biennial national convention is recognized at the time of the convention, as are the related expenses.

O. *Estimates*

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

P. *Functional Expense Allocations*

Expenses that can be identified with a specific program or support service are allocated directly according to their natural expenditure classification. Other costs have been allocated on the basis of estimates by management among the programs and supporting services, based primarily on the nature of the expense.

Q. *Reclassifications*

Certain reclassifications have been made to prior periods to conform to the current year presentation. These reclassifications had no effect on changes in net assets.

R. *Comparative Totals*

The financial statements and footnote disclosures for the year ended June 30, 2014 are presented only to provide a basis for comparison with the year ended June 30, 2015. The 2014 financial statements and footnote disclosures are not intended to represent all information necessary for the fair presentation in accordance with U.S. Generally Accepted Accounting Principles. Accordingly, such information should be read in conjunction with the Association's financial statements for the year ended June 30, 2014 from which the summarized information was derived.

S. *Subsequent Events*

Subsequent events were considered through April 15, 2016, which is the date the financial statements were available to be issued.

AMERICAN VOLKSSPORT ASSOCIATION, INC.  
NOTES TO FINANCIAL STATEMENTS (CONT.)  
JUNE 30, 2015

NOTE 4 -- FAIR VALUE MEASUREMENT

The Association's financial instruments consist primarily of cash and cash equivalents and debt securities. The carrying amount of the cash and cash equivalents approximate their fair market value due to the short-term nature of such instruments (Level 1).

The carrying value of debt securities is the fair market value based upon quoted prices (Level 1).

The Association uses the following hierarchical disclosure framework:

*Level 1* - Measurement based upon quoted prices for identical assets in an active market as of the reporting date.

*Level 2* - Measurement based upon marketplace inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in inactive markets, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

*Level 3* - Measurement based on assumptions about hypothetical marketplace because observable market inputs are not available as of the reporting date.

The Association uses appropriate valuation techniques based on available inputs to measure the fair value of its assets and liabilities. When available, the Association measures fair market value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs have the lowest priority. All of the Association's investments are according to the fair value hierarchy at level 1.
