Section I: Introduction

AVA America's Walking Club (AVA) is a 501(c)-(3) national nonprofit organization established in 1979, to promote public health and physical fitness through non-competitive, self-paced sporting events. Operating with a \$500,000 annual budget, the AVA has a network of more than 220 clubs across the United States, that host more than 2,500 events annually, including walking, hiking, swimming, biking and snowshoeing.

Although individual membership is not required, people who enjoy walking and other outdoor activities join one of the clubs as a member. There is an estimated 100,000 members and non-members nationwide who participate in AVA events. Although members range in age and demographic, from youth to senior citizen, a majority of members are 60 years and older, and enjoy traveling to different sanctioned events locally, regionally and nationally. The older members are aging out and younger members are needed to sustain the organization.

Qualified marketing and public relations firms must have a minimum of three years' experience managing national promotions and publicity campaigns, in similar size and scope, as described in Section 18 Scope of Work, and the marketing and public relations firm must have been in business for at least five years. Proposers who do not meet this requirement are not eligible for award.
2. Proposers from different companies that submit as a team, including subcontractors, are eligible to submit a proposal if key personnel on the proposal team (including subcontractors) have the minimum required experience.
3. The Proposer who wins the award will be required to attend AVA America's Walking Club's 2019 national convention, June 9 – 16, 2019 in Albany, New York. Award winner is expected to present the promotions and publicity campaign to AVA members at that time.

AVA's strength is rewarding individual members for participating in AVA events. Event participants record distance or participation in an AVA purchased book, and when completed, is submitted for recognition to the national headquarters in Universal City, Texas. Recognition includes certificates, patches, medals and publication of names in a bimonthly publication.
